Impact Update!

NC MedAssist + Cardinal Innovations Healthcare

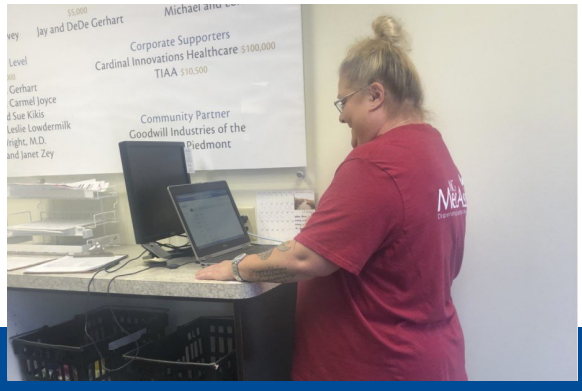

COMMUNITY IMPACT PROJECT ONE YEAR FOLLOW-UP SNAPSHOT
PROJECT SPONSORED & DELIVERED BY CARDINAL INNOVATIONS HEALTHCARE

Ensuring community access to over-the-counter medications needed to stay healthy and feeling well

Problem: NC MedAssist was almost ready to open their OTC Free Store but did not have an electronic checkout solution.
Solution: Apparo matched NC MedAssist to a volunteer team from Cardinal Innovations Healthcare to develop a SharePoint form to collect needed customer and shopping information.

Nonprofit Team: Nicole Banahene, Lori Giang, Brenda Vass
Volunteer Team: Kyle Wright, Jacob Brumfield, Adam Cook, Robert Edwards, Steve Ermish, Matt Kushner

"We expected to serve 300 people/month. We've actually served over 12,000 in our first year. We could not have served so many with our paper-based system."
